

Indivisible SOS Santa Fe Minutes

September 12, 2022

The meeting focused on actions we are taking for CD2 before the November election

1. Vote Forward letters. Go to Vote Forward website to set up an account to download letters.

They are to be written and mailed by October 29.

2. There will be another round of postcards for Gabe in October, hopefully with better messaging!

We are asked to sign up in multiples of 50. There will be postcard and letter writing parties scheduled.

3. Canvassing in the South Valley every weekend until the election. We will work in teams and partner with Spanish speakers in certain areas. Shifts will be 1-3 and 3-5. Lunch will be provided by Indivisible.

We are all asked to sign up for at least one action and to email Sandy with what activities we will be doing.

Our speaker is Vicky Estrada -Bustillo, chair of Fuerzas Unidas Caucus DPNM.

Vicky discussed their efforts to get Hispanics more involved in politics and the Democratic Party.

They are focused on reaching out to Hispanic communities in rural areas. Their emphasis now is

Getting out the Vote, climate, health care and women's health. **See links to further information about Fuerzas below.**

We are arranging to work together on canvassing for Gabe.

We were also joined by Victoria Pfau, Field Director for Gabe and is organizing canvassing for us.

She talked about how to engage people we contact. There will be a Zoom training session for canvassing on Thursday, September 22 at 6 PM.

When canvassing we are to wear our T shirts and to bring lanyards with holders for IDs identifying us as being with Gabe's campaign.

Our speaker on Monday, September 19 will be Senator Nancy Rodriguez who will update us on the interim committees and what to look forward to in the 2023 session.

We will also be joined by Lauren Oertel who will be talking about the campaigns.

The meeting will be followed by a potluck brunch at the Community Center.
