

Invisible Meeting March 20 2023

Jayne -about Bev - she would like company because she needs help. UNM in room 412. Bev lives alone so we will set up a schedule where we will take turns visiting/helping. Jayne to investigate the program called, "Helping Hands".

Cynthia

- Planned Parenthood Breakfast 4/27 @ 7:30
- We've given contributions for table of 12. We need a logo. Will be listed as a sponsor.
- We can only accommodate 12 people - our contribution will be \$1400.
- April 27 at convention center - 7:30 - 9.
- Celebration about bills passed this year.

Chris Waddill

Girls' Inc. A program that develops self-esteem for young women.

- Chris discussed an ongoing project Sub committee for Girls' Inc. for a tribute book. Pages of women who have made contributions from State
- Put Sandy in for our person who has done wonderful things. \$500 /page in the book. \$1K for a full page. The idea has to be presented to the Exec Committee.
- Why don't we give individually?
- Cynthia feels like Girls' Inc. wants to sponsor younger women. What about the young woman who organized for TLF in the SW area? Joslyn Rioja is another name. Next Gen Design Rep in NM.
- Deadline is late May? April?
- Leadership team decides half or full page
- Girls' Inc will make final decision on candidates

Legislature

Cynthia and Liza

- Reproductive Health
- Reproductive and Gender Affirming Bill passed and signed by gov
- Protections to Providers and recipients - passed and signed by Gov
- Affirmative Consent - died in the house. Ran out of time. Girls' from Capital High, this bill was a key initiative.

Roberta

- Voting Rights Act passed
- Modernizing Leg - failed

Barbara

- No guns allowed in polling places
- Child access
- 14 day was stalled in house or senate

Marti for Jan

Changes to Game Commission - passed. On its way to Gov. Not a guaranteed sig. Asks every contact the Gov to ask that it be passed.

Rachel

Behavioral Health Wins

- Passed both houses and will probably be signed.
- Authorization for crisis triage centers. Including funding and capacity. This is where police can take people but there aren't a lot of them. Mostly in SAF, ABQ and Las Cruces
- Mental health parity bill - prohibits any insurer from having lower insurance than others.
- Authority to fund school based health centers across the state. Kids who had experience from a school based health centers are more likely to take advice from adults.
- Behind these bills are Jerry Ortiz Y Pino - work on behavioral health needs powerful people. He is very progressive.

Immigration Front

- Bill to create a division of state agency for economic development from oil and gas jobs. Nathan Small got %50M for transitions. This will help authority for getting things going.
- Angelica Rubio put most of her jr. money to study gig workers etc. Got passed as a bill
- Bill to prohibit immigrant detention did not make it. Get rid of private detention. Senate leadership was not on the floor so it didn't pass. 18-21.

Climate

- Passed - renewable energy office in Richards Garcia space
- Passed - SB 53 storage radiation waste
- Passed \$100M allocated for legacy fund

Police Academy

SB19

- We wrote an airtight bill. Atty Gen COS said it was a well written bill. So did Peter Wirth.
- Accountability, training, oversight.
- We got identified as a priority bill from the beginning.
- Moe Maestas stepped up to sponsor it.
- It was selected to go to Judiciary to speed it up.
- Joe Cervantes: they needed a LE bill, because of all the crime. But - they wanted and hoped to make it bigger.
- There was nothing else except SB 252 Pope and ACLU. All LE was against it. Sen Pope new legislator.

- Judiciary committee heard about SB252 and suggested combining the bill. Once they said that, Clear they were going to do that. They waited until it was too late.
- Stripped sections out of the bill. Maestas let it go. Added stuff from Pope's bill.
- Left in consequences for non reporting but they took out all the requirements for reporting. They did it last and in a rush.
- The Judiciary committee was having trouble with a quorum.
- Rachel threatened to pull the bill. DPS begged her not to do this. It's a foundation.
- Everyone attached stuff - New Municipal league, NM county had stuff to the bill.
- Passed with Senate w/o discussion. This bill had no single public hearing.
- Fix every five years stripped out. Modernization stripped out.
- Sections 4 had the Standard & Training Council stripped out re directions. Would have modernized, best practices and modern standards.
- Section 9 reporting of data - Popes' requirement of who has going back data.
- The telecommunicators get their stuff.
