

iSOS June 3 2024 Indivisible Meeting Notes (No speaker)

- Ricann stuck in Texas, strong thunderstorms.
- Jayne was in the Monday paper with a picture. The NM wanted a story about phone banking/texting. But there wasn't anything scheduled. And a bunch of people showed up.
- Jayne thought that phone banking was fun. The phone banking use manicured lists - reg dems/progressive independents. No one wants to get a R out to vote.
- Low turnout for this primary. All non state voting happens on odd number years.
- Gloria did texting and it was easy.
- Pride day, June 29, march with TLF. Also drumming? You don't have to walk, you can ride on the car.
